Australian Lithium Battery Energy Storage Cabinet Single Phase

LIQUID/AIR COOLING

PROTECTION IP54/IP55

PCS EMS

BATTERY /6000 CYCLES

Overview

Built in Australia to withstand demanding environmental conditions, the ESSential cabinet integrates the Noark Sion 5 kW single-phase hybrid inverter, lithium battery storage, AC and DC protection, and advanced system monitoring. All our Rack cabinets come pre-wired with quality Australian made cables and components where possible. Their minimalist design allows easy installation and ongoing maintenance with four-side access. Ranging from 8 - 20 battery units there is an option for any project demand. To endure tough environments, the robust design keeps your investment in optimal. AUS-POWER Batteries custom built battery cabinets are the ideal solution for those larger installations or anyone requiring a secure, professional and practical installation.
