

Espay Solar Energy S.L.

Direct recruitment of skilled photovoltaic panel installers

Overview

We recruit qualified Solar Installers, Electricians, Project Coordinators, and Sales talent for growing solar companies. Flat-fee direct hire recruiting with no commissions and a 30-day replacement guarantee. Lean on PRST for your solar installer and solar project staffing needs, and together we'll leave a lasting influence for. When you need screened, vetted solar workers you can count on, Spec On The Job is your trusted partner. Install solar panels on rooftops and ground-mounted systems according to project specifications. Most solar panel installations are done outdoors, but PV installers sometimes work in attics and crawl spaces to connect panels to the electrical grid. Installers also must. Are you an experienced Solar Panel Installer seeking work?

We may have the job for you! Trillium Construction Services, a national leader in skilled trades staffing, is always looking for experienced Solar Panel Installers! Our positions range from short term and long term projects to direct hire.
