

**Espay Solar Energy S.L.**

# **Energy storage system box and accessories price**

## Overview

---

Capacity: A 5 kWh system averages \$4,000-\$6,000, while 20 kWh units range from \$12,000 to \$18,000. Scalability: Modular designs allow gradual expansion, reducing upfront costs. Warranty & Lifespan: A 10-year warranty typically adds 15-20% to the price but ensures long-term. EcoDirect offers battery boxes, racks and enclosures for off-grid energy storage applications in solar PV systems. These products support the most common battery types. Trust us to provide you with reliable, efficient, and high-quality products that will help you harness the power of. The EG4 BOSSBox is a weather-resistant energy storage enclosure designed for easy, DIY-friendly installation. We stock a wide range of sizes to fit your specific needs. Each bundle includes a standalone Energy Storage System (ESS) with an inverter, battery, and all necessary cables and connectors.
