

**Espay Solar Energy S.L.**

# **Financing for large-capacity outdoor telecom cabinets used in schools**

## Overview

---

Westell offers secure, weather-tight outdoor network enclosures to protect electronic equipment for outdoor telecom networks. With proven expertise in system integration, Westell also manages the details for design assistance, planning, thermal management. Constructed to provide superior protection in all environments, ABS cabinet solutions offer maximum flexibility for customizable turn-key options that future proof growing networks. Designed to save deployment cost and time, our innovative solutions include hub collapse, battery backup, composite. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies, utilities, and network operators with BABA-compliant solutions that protect critical equipment from the harshest environmental conditions.
