

**Espay Solar Energy S.L.**

# **High-voltage solar energy storage cabinetized subway system in papua new guinea**

## Overview

---

The project encompasses the construction of a solar and battery energy storage system (BESS) minigrid to be built on the island of Buka, within the autonomous region of Bougainville in Papua New Guinea. It will address the electricity needs of the region, which relies. A small factory located in Papua New Guinea recently installed a complete 50KW solar energy storage system. This system effectively meets the daily operational electricity demands of the factory. To cope with the problem of no or difficult grid access for base stations, and in line with the policy trend of energy saving and emission reduction, Huijue Group has launched an.
