

Espay Solar Energy S.L.

Midea photovoltaic energy storage

Overview

The Midea Energy Manager (MEM) is a battery-ready inverter with built-in EMS function that combines HVAC and smart home to maximize the use of solar energy. It can be stacked with two to six batteries. Midea Hiconics, the solar storage and inverters subsidiary of Chinese electrical appliance manufacturer Midea Group, has unveiled a new series of all-in-one, single-phase residential. Midea Hiconics has unveiled its latest innovation, the HIENERGY Series Three-Phase All-in-One Residential Energy Storage System (RESS), designed to meet the growing demand for reliable, efficient, and safe home energy solutions.
