

Espay Solar Energy S.L.

Nairobi solar container system manufacturer

Overview

Go-Solar Systems Ltd is a renewable energy company run by highly qualified professionals. We have undertaken numerous projects for Ngo's, governments of Kenya and South Sudan as well as various public and private institutions in the East African region. Sunstastic Solar recently introduced its new containerised solar power solution - for the Kenyan market. "What makes our containerised solar power generation units special, is our use of international engineering standards and components, while still producing local content that allows us to offer. LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. Make the Smartest Solar Choice Today.
