Photovoltaic panel lawsuit

Overview

NEW YORK - The Legal Aid Society has filed a lawsuit accusing five solar panel companies of deceptive business practices and fraud. Lawyers say the companies work in tandem to target seniors and low-income residents with misleading advertising and miscalculations of cost. Hundreds of these cases are already in arbitration, moving through discovery and scheduling. This fall will be extremely busy, with trials set to ramp up. By September or October, we'll have a much clearer picture of how. NEW YORK, NY - Today the New York City Department of Consumer and Worker Protection (DCWP) announced the filing of a landmark lawsuit against Radiant Solar, a solar panel installation company that defrauded New Yorkers seeking a source of affordable renewable energy for their homes.
