

**Espay Solar Energy S.L.**

# **Price List for Waterproof Mobile Energy Storage Containers**

## Overview

---

Price for 1MWH Storage Bank is \$774,800 each plus freight shipping from China. To discuss specifications, pricing, and options, please call us at (801) 566-5678. Each container with all of the equipment will weigh less than 16 tons. Fully tested before being shipped. The energy storage system is essentially a straightforward plug-and-play system which consists of a lithium LiFePO4 battery pack, a lithium solar charge controller, and an inverter for the voltage requested. Seeking out China-based suppliers for storage rack manufacturing is a cost-effective option. Conduct online searches, review industry directories, and attend trade fairs to connect with reputable manufacturers. Engaging with LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. LZY mobile solar systems integrate foldable, high-efficiency panels into standard shipping containers to generate electricity through rapid deployment generating 20-200 kWp solar. Adding Containerized Battery Energy Storage System (BESS) to solar, wind, EV charger, and other renewable energy applications can reduce energy costs, minimize carbon footprint, and increase energy efficiency.
