## Slovenia orchard wind and solar energy storage construction

---

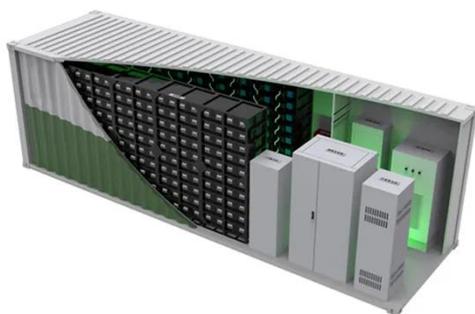

### HSE Spearheads 80 MW Solar & Battery Storage Projects in Slovenia

Expected to be operational by the end of 2025, these plants will contribute significantly to Slovenia's goal of achieving climate neutrality by 2050 and are part of a larger trend in Slovenia solar ...

### Agri-PV in Apple Orchards: Pilot Project for Food and Energy

In a research apple orchard in Slovenia, a pioneering Agri-PV pilot project is being implemented. Within this project, Agrivoltaics were installed above apple trees, combining fruit ...

### Slovenia to award EUR 29.5m of grants for wind, solar

The Slovenian government has opened an investment call with a budget of EUR 29.5 million (USD 34.3m) to co-finance projects for the adoption of wind, solar and energy storage capacity.

### Slovenia launches EUR64.5 million

## tender for new solar and wind systems

Slovenia will provide 64.5 million euros to support installing new solar and wind energy systems, of which 63.5 million euros will come from EU funds. The tender will enable investments in new ...

## Slovenia Opens EUR29.5 Million Call For Solar & Wind Projects

Slovenia's Ministry of Environment, Climate and Energy has launched a EUR29.5 million (\$34 million) funding call to support new solar and wind energy projects, with or without battery storage, ...

## EUR64.5 million in EU funding for more clean energy from the sun and wind

The goal of the call is to increase the share of renewable energy in Slovenia's energy mix in order to help the country reduce its dependence on fossil fuels and develop a reliable energy storage ...

## The Slovenia Times

A pilot agrivoltaic system has been set up in an apple orchard northeast of Ljubljana to serve as a blueprint to

develop the dual use of land for solar energy and agriculture in Slovenia.

## Slovenia publishes call for incentives for wind, solar power projects

Solar and wind power projects with or without energy storage that are on Slovenia's priority list can be submitted for grants from the European Union's Modernisation Fund.
