

Espay Solar Energy S.L.

Solomon Islands High Frequency Inverter

Overview

This system, comprising 10kW hybrid inverter and 2pcs 10kWh Lithium Battery, ensures continuous power for household loads. By leveraging solar energy, it provides a seamless solution—charging during stable utility supply and delivering power during outages. Its comprehensive LCD display offers user-configurable and easy-accessible button operation such as battery charging current. HDX 1000VA 1200VA 2000VA is a DC to AC modified sine wave inverter applied to TVs, lights, laptops, computers, and other home appliances. Traditional diesel generators are expensive and environmentally harmful, while solar energy storage inverters offer a sustainable alternative. The SH-RS series is available from 3.
