

Espay Solar Energy S.L.

Specializing in the production of solar battery cabinet cabinets

Overview

Maysteel fabricates custom enclosures and cabinets for renewable energy storage, generators, solar inverters, hydro power & other alternative energy applications. We specialize in design for manufacturing. One of our recent projects with a leading U. Our client, a reputable solar engineering service. Most industrial off-grid solar power systems, such as those used in the oil & gas patch and in traffic control systems, use a battery or multiple batteries that need a place to live, sheltered from the elements and kept dry and secure. With CE Certification, you can trust that our cabinet meets the highest safety and quality standards. For any necessary certifications, APX will support and fulfill. Fabricated Metals manufactures indoor and outdoor industrial enclosures to meet the needs of the Battery + Energy Storage industries.

Specializing in the production of solar battery cabinet cabinets
