

Espay Solar Energy S.L.

Warranty for ultra-large capacity inverter cabinet products

Overview

The PWRcell inverter, battery cabinet, and module have a 10-year warranty. Extend your product coverage by 1, 2, or 3 years to avoid costly repairs. If you need a repair due to mechanical or electrical failure, parts and labor costs are covered and there are no deductibles. This plan is designed to replace any inverters that are of such. Chint Power Systems America Co., Ltd, warrant that all new inverter Products manufactured and sold by it (“Products”) conform to applicable codes and standards in effect at the time of Product manufacture and are free of any defects. Our United States and United States Territories warranties cover products installed in the U. Territories (including Puerto Rico, Northern Mariana Islands, U. Virgin Islands, American Samoa, and Guam). How do I transfer. nty, customers receive the needed parts in advance, allowing single site visit for swap. Generac will, at its discretion, repair or replace any part(s) which, upon evaluation, inspection, and testing by Generac, an Independent Authorized Servi Wh of energy throughput per module, whichever comes first.
